Dear Mr. Ford:

DaimlerChrysler's position concerning the installation of non-DaimlerChrysler parts remains unchanged from our previous correspondence. The following quote is from our 2000 Car & Truck Warranty Information Book.

"Certain changes that you might make to your vehicle do not, by themselves, void the warranties.....Nor do they (the warranties) cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-DaimlerChrysler Motors corporation parts, components, equipment, materials, or additives".

I have forwarded your packet of information to our Mopar Parts Department for their review. You should receive a response from them in the near future.

Sincerely,

John Hill
